

6th World Dwarf Games

East Lansing, MI, United States of America
August 3rd to August 10th

EXPRESSION OF INTEREST FORM

The 6th World Dwarf Games are to be held at Michigan State University from the 3rd – 10th August 2013. Although this is some 2 and a half years away planning is well underway both here and abroad. We need to begin the process of organising training programs, camps, sponsorship and funding proposals etc. As such we need to gauge interest from the members of the SSPA to determine the number of athletes wishing to compete and which events they will compete in. Please complete the form below and return to Samuel Millard via email to samuel.r.millard@gmail.com or via post to **2 Littleboy Rise Endeavour Hills, Vic 3802.**
